

## **AUGUST 2015 "LATE SUMMER CHURN DASH" NMQG**

Block size= 8" Unfinished; 7 1/2" Finished

We've made this block before but this time it's a bit different.

This is a good example for us of how fabric placement and color can make a block look so different!

If you plan for color that reminds you of late summer flowers and blue skies and make at least two of the same blocks, this block which is also known as "Greek Square" will make a nice scrappy quilt for our winner(s)

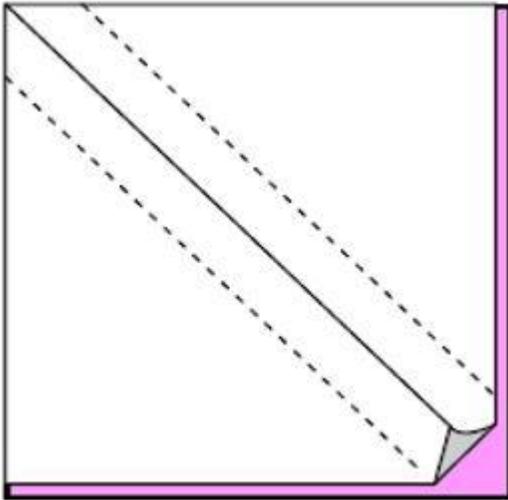

### **FABRICS:**

- White on White OR a tiny sparse print on white (mostly white)
